

Flat data (sheet 1)

Please enter all information about your old and new flat. The more complete information we have, the more detailed will be your offer.

Inventory list (sheet 2+3)

Put in the list the whole house inventory as accurately as possible.

It is better to put more because there is nothing worse than no enough space in the truck. You pay definitely according to the actual volume.

Print or save

Save or print both lists, the flat data (1 page) and inventory list (2 pages). You can also fill out the list by hand and send to us by fax or post or send it by email as an attachment.
